Item G.1. McNeese State University’s request for approval to enter into a Ground Lease Agreement with the McNeese State University Foundation to replace the artificial turf football field at Cowboy Stadium.

EXECUTIVE SUMMARY

The University is requesting approval to enter into a land lease with the McNeese State University Foundation. The artificial turf football field is in need of replacement. A long-time McNeese State University supporter has donated $650,000 to the McNeese Foundation to make necessary site improvements and to install new turf in time for the next football season. The cost of the project is estimated to be approximately $650,000.

To carry out the project, McNeese State University would lease land to the McNeese State University Foundation. The Foundation would enter into a contract with a turf manufacturer to install the new football turf. The Foundation would contract with all necessary engineers, consultants, testing labs, and contractors that may be necessary. Once the turf project is fully completed, the Foundation would donate the new turf to the University free and clear, and the lease would terminate.

The term of this lease would begin on March 1, 2018 and would end at midnight on September 30, 2018, or at such time as donation of improvements is executed, whichever occurs first.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves McNeese State University’s request for approval to enter into a Ground Lease Agreement with the McNeese State University Foundation to replace the artificial turf football field at Cowboy Stadium.

BE IT FURTHER RESOLVED, that McNeese State University shall obtain final review from UL System staff and legal counsel to the Board, and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements prior to execution of documents.
BE IT FURTHER RESOLVED, that the President of McNeese State University and/or his designee are hereby authorized and directed to execute the act of donation described herein and any and all documents necessary in connection with the acceptance of the property donation described herein.

AND FURTHER, that McNeese State University will provide the System office with copies of all final executed documents for Board files.

**EXHIBIT B**

INSURANCE REQUIREMENTS FOR CONTRACTORS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, his agents, representatives, employees or subcontractors. The cost of such insurance shall be included in the Contractor's bid.

A. MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

1. Insurance Services Office Commercial General Liability "occurrence" coverage form CG 00 01 (current form approved for use in Louisiana). *Claims Made* form is unacceptable.

2. Insurance Services Office form number CA 00 01 (current form approved for use in Louisiana). The policy shall provide coverage for owned, hired, and non-owned coverage. If an automobile is to be utilized in the execution of this contract, and the vendor/contractor does not own a vehicle, then proof of hired and non-owned coverage is sufficient.

3. Workers' Compensation insurance as required by the Labor Code of the State of Louisiana, including Employers Liability insurance.

B. MINIMUM LIMITS OF INSURANCE

Contractor shall maintain limits no less than:

1. Commercial General Liability: $1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage.

2. Automobile Liability: $1,000,000 combined single limit per accident, for bodily injury and property damage.

3. Workers Compensation and Employers Liability: Workers' Compensation limits as required by the Labor Code of the State of Louisiana and Employer's Liability coverage. Exception: Employer's liability limit is to be $1,000,000 when work is to be over water and involves maritime exposure.

C. DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and approved by the Agency. At the option of the Agency, either 1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Agency, its officers, officials, employees and volunteers, or 2) the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages
a. The Agency, its officers, officials, employees, Boards and Commissions and volunteers are to be added as "additional insureds" as respects liability arising out of activities performed by or on behalf of the Contractor, products and completed operations of the Contractor, premises owned, occupied or used by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the Agency, its officers, officials, employees or volunteers. It is understood that the business auto policy under "Who is an Insured" automatically provides liability coverage in favor of the State of Louisiana.

b. Any failure to comply with reporting provisions of the policy shall not affect coverage provided to the Agency, its officers, officials, employees, Boards and Commissions or volunteers.

c. The Contractor’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

2. Workers' Compensation and Employers Liability Coverage

The insurer shall agree to waive all rights of subrogation against the Agency, its officers, officials, employees and volunteers for losses arising from work performed by the Contractor for the Agency.

3. All Coverages

Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, or reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the Agency.

E. ACCEPTABILITY OF INSURERS

Insurance is to be placed with insurers with a Best's rating of A+:VI or higher. This rating requirement may be waived for workers' compensation coverage only.

F. VERIFICATION OF COVERAGE

Contractor shall furnish the Agency with certificates of insurance affecting coverage required by this clause. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the Agency before work commences. The Agency reserves the right to require complete, certified copies of all required insurance policies, at any time.

G. SUBCONTRACTORS

Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

If the legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

16. INDEMNIFICATION AGREEMENT (HOLD HARMLESS)

The LESSEE agrees to protect, defend, indemnify, save and hold harmless the LESSOR, the State of Louisiana, all State Departments, Agencies, Boards and Commissions, its officers, agents, servants and employees, including volunteers, from and against any and all claims, demands, expenses and liability arising out of injury or death to any person or the damage, loss or destruction of any property which may occur or in any way grow out of any act or omission of the Lessee, its agents, servants, and employees, or any and all costs, expense and/or attorney fees incurred by Lessee as a result of any claim, demands, and/or causes of action except of those claims, demands, and/or causes of action arising out of the negligence of the LESSOR, the State of Louisiana, all State Departments, Agencies, Boards, Commissions, its agents, representatives, and/or employees. LESSEE agrees to investigate, handle, respond to, provide defense for and defend any such claims, demand, or suit at its sole expense and agrees to bear all other costs and expenses related thereto, even if it (claims, etc.) is groundless, false or fraudulent.

17. GOVERNING LAW

The Lease, and all matters or issues related to it, shall be governed by and shall be in accordance with the laws of the State of Louisiana.

If any provision of the Lease, as applied to either party or to any circumstance, shall be adjudged by a court to be void or unenforceable, the same shall in no way affect any other provision of the Lease or the validity or enforceability of the Lease.

18. SEVERABILITY

The presence in the text of this agreement of any clause, sentence, provision, paragraph or article held to be invalid, illegal, or ineffective by a court of competent jurisdiction shall not impair, invalidate or nullify the remainder of this agreement. The effect of any such holding shall be confined to the portion so held invalid.

19. ASSIGNMENT OF LEASE

This lease or any portion thereof or any interest therein shall not be assigned, transferred, conveyed, sublet or disposed of without the previous content, in writing, or the LESSOR.

EXECUTIVE SUMMARY

As allowed by R.S. 17:3361 (2)(a), the University is requesting approval to lease 3,003 square feet of space in its University Health Clinic building, located at 1140 University Avenue (Rooms 101-127) in Monroe, Louisiana to the Affinity Health Group, LLC (Affinity). Affinity is a for-profit healthcare provider of primary and preventative healthcare services. Affinity is a wholly-owned subsidiary of Vantage Health Plan, with corporate offices located at 300 DeSiard Street in Monroe.

Affinity has multiple primary care provider sites throughout the North Louisiana region and has remained committed to high-quality healthcare for several years. This lease agreement will exist in concert with a services agreement between Affinity and ULM, whereby Affinity provides preventative and primary care health services to students, faculty, and staff as requested, with no costs to uninsured students. This lease, and the associated preventative health services, align with the University of Louisiana at Monroe’s mission, vision, and values by promoting a campus atmosphere in which students, faculty, and staff are provided rapid access to preventative and primary healthcare in a manner that promotes learning.

ULM provides the clinic space to Affinity at zero annual lease cost, as Affinity is providing a much needed service to ULM students, faculty, and staff under a service arrangement. ULM will pay Affinity a maximum annual health service fee of $175,000. Affinity provides key health professionals and support staff, necessary medical supplies, non-scheduled pharmaceuticals, and the maintenance of the patients’ electronic health records under the terms of the service agreement. The initial lease period will be for three years, with the opportunity to renew the lease for two additional three-year periods.
RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of Louisiana at Monroe’s request for approval to lease 3,003 square feet of University campus health clinic space located at 1140 University Avenue (Rooms 101-127) in Monroe, Louisiana to Affinity Health Group, LLC.

BE IT FURTHER RESOLVED, that the University of Louisiana at Monroe shall obtain final review from UL System staff, legal counsel and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements.

Re: The Robert E. Nims Performing Arts Center

1. Summary

The University of New Orleans ("University") requests that the performing arts center located on the University campus along Milneburg Road be dedicated as "The Robert E. Nims Performing Arts Center" in recognition of Robert E. Nims' significant economic, financial and charitable contributions to the State of Louisiana, the City of New Orleans and the University.

Robert E. Nims came to New Orleans when he served with the Merchant Marines in World War II. After the war, he moved to the city and stayed until his death. Founder of the Lucky Coin Machine Co., Mr. Nims spent over fifty years in the coin machine industry. During that time, he helped found the trade organization, Louisiana Amusement & Music Operators Association ("LAMOA"), serving as its president and later as president of the industry's national association. Shortly after founding Lucky Coin Machine, Robert founded AMA Distributors, a wholesaler of coin-operated machines.

The posthumous contributions of Robert E. Nims were instrumental in the establishment of a Louisiana Board of Regents Support Fund endowment at the University of New Orleans, Robert E. Nims Endowed (Super) Chair in Entertainment Amusement and Multi-Media Industries, and Robert & Jeri Nims Center for Entertainment Arts and Multi-Media Technology ("Nims Center") with the University of New Orleans Foundation. The Nims Center, located in Jefferson Parish, is a 90,000 plus square foot creative complex focused on training the next generation of film makers and entertainment workforce while generating economic benefits for the region.

The philanthropy of the late Mr. Nims and his family has also supported the University's student athletes, the 50th Anniversary Scholarship Fund, an annual graduate thesis project and post Katrina renovations to theatres inside the performing arts center and on-campus sound stage access. Following his death, friends, business associates and family created the LAMOA Bob Nims Memorial Scholarship Fund. Robert Nims loved music and this fund provides scholarships to the University's Department of Music for students pursuing musical studies.

In addition to the University, the philanthropy of the late Mr. Nims and his family has extended to many other organizations in the community including Sacred Heart Academy, Audubon Institute, New Orleans Center for the Creative Arts and The National WWII Museum.
