Item H.1. Louisiana Tech University’s request for approval to purchase a former drive-in bank and land site, on behalf of the University, from the Louisiana Tech University Foundation.

EXECUTIVE SUMMARY

The University is requesting approval to purchase a former drive-in bank and land site from the Foundation. The Louisiana Tech University Foundation has acquired a parcel of land located at 818 West California Avenue that was the former site of a drive-in bank. The parcel adjoins the campus on two sides and has approximately 34,000 square feet with 2,231 square feet of improvements. The parcel has been appraised with a market value of $310,000 and has a clean phase 1 environmental assessment. The building can be easily modified for office space and has parking adjacent to University parking. The cost to the University is $310,000.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves Louisiana Tech University’s request for approval to purchase a former drive-in bank and land site, on behalf of the University, from the Louisiana Tech University Foundation.

BE IT FURTHER RESOLVED, that the President of the University or his or her designee be authorized to execute an Act of Sale on behalf of Louisiana Tech University.

BE IT FURTHER RESOLVED, that Louisiana Tech University shall obtain final approvals from UL System staff, legal counsel, and all other appropriate agencies/parties, of processes, documents and administrative requirements.

AND FURTHER, that Louisiana Tech University will provide System office with copies of all final executed documents for Board files.
LADIES AND GENTLEMEN OF THE BOARD OF SUPERVISORS FOR THE UNIVERSITY OF LOUISIANA SYSTEM:

The Louisiana Tech University Foundation has acquired a parcel of land that was a former drive-in bank located at 818 West California Avenue. This parcel is adjacent to University property and with minor renovations can be used for office space and parking. The site contains approximately 34,000 square feet and has 2,231 square feet of improvements.

An MAI appraisal commissioned by the University determined that the parcel has a market value of $310,000. A Phase 1 Environmental assessment reports no recognizable hazards. Attached is a site survey prepared for the University.

Louisiana Tech University is requesting permission to purchase this parcel utilizing funds from previous property exchanges. The University’s request is to purchase this parcel with improvements subject to final review and approval by Board Staff and Legal Counsel of all documents required for administrative review and purchase. The University further requests that the President of Louisiana Tech is authorized to execute said documents on behalf of the Board of Supervisors necessary to complete the exchange.

Sincerely,

Leslie K. Guice
President

Re: Demolition of Lumber Storage Building- Natchitoches Campus

Dr. Maggio:

The Physical Plant is requesting permission to demolish the Lumber Storage Building. With Caspari Street and parking lot project by Turpin Stadium the building sits in the pathway of the new course of the road. A new lumber Storage building will be built by the Physical Plant. This is part of a master plan to move all trades down by the Physical Plant area. The cost of demolition is $4,800. The building is asbestos free as per our EHS officer.

Respectfully yours,

Item H.3. University of Louisiana at Monroe’s request for approval to enter into a lease with the University of Louisiana at Monroe Foundation and University of Louisiana at Monroe Alumni Association for the Laird Weems Center upon purchase.

EXECUTIVE SUMMARY

The University is requesting approval to enter into a lease with the ULM Foundation and Alumni Association for the Laird Weems Center upon completion and purchase of the facility. The University currently owns the 2.019-acre tract of land upon which the Laird Weems Center sits. Upon substantial completion, the University will purchase the building, as approved by the Board on October 26, 2017, and then lease the building back to the Foundation and Alumni Association.

The lease will begin on July 1, 2018 and will terminate on June 30, 2019. This lease agreement shall automatically renew each year on July 1 for no more than fifty additional years. The lessees shall pay $1.00 per year. A draft lease agreement is attached and contains all other stipulations and responsibilities of the lease.

RECOMMENDATION

It is recommended that the following resolution be adopted.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of Louisiana at Monroe’s request for approval to enter into a lease with the University of Louisiana at Monroe Foundation and University of Louisiana at Monroe Alumni Association for the Laird Weems Center upon purchase.

BE IT FURTHER RESOLVED, that the University of Louisiana at Monroe shall obtain final review from UL System staff, legal counsel and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements.

BE IT FURTHER RESOLVED, that the President of University of Louisiana at Monroe and his or her designee is hereby designated and authorized to execute any and all documents associated with said lease.

AND FURTHER, that the University will provide the System office with copies of all final executed documents for Board files.

Dear Dr. Henderson:

On April 20, 2017, the Board of Supervisors of the University of Louisiana System considered and approved our request to enter into a Ground Lease Agreement with ULM Foundation to construct a new Foundation and Alumni Building and to purchase the improvements back from the Foundation. On October 26, 2017, the Board of Supervisors for the University of Louisiana System approved our request to name the new Foundation and Alumni Building the “Laird Weems Center”. I am proud to report that the construction will be complete in June at which time the Ground Lease Agreement will expire and the University will purchase the facility.

I respectfully request that the Board of Supervisors of the University of Louisiana System consider and approve the long-term lease between the State of Louisiana / Board of Supervisors for University of Louisiana System as lessor and the University of Louisiana Monroe Foundation and University of Louisiana Monroe Alumni Association (lessees) for use of the facility.

Thank you for your consideration of this request. Should you have any questions or need further information, please contact me at 318-342-1010 or by email at bruno@ulm.edu.

Sincerely,

Nick J. Bruno, Ph.D.

This description is based on the Boundary Survey and Plat prepared by Ronald J. Riggin, II, Professional Land Surveyor, dated November 23, 2016.
1. **PROPERTY, ORIGINAL VALUE, TERM, AND USE.** The building included in this lease (hereinafter called 4400 Bon Aire), and the original value, lease term, and use thereof shall be as set forth.

2. **ANNUAL RENTAL.** The Lessees shall pay the Lessor $1.00 per year. The lease term will begin on July 1, 2018 and will terminate on June 30, 2019. This lease agreement shall automatically renew each year on July 1 for no more than fifty additional years absent written notice by Lessees to Lessor to terminate which must be provided ninety (90) days prior to July 1 of the year of termination. Payment shall be due no later than August 1 of each year.

3. **OPERATING EXPENSES.** The Lessor will pay all utilities, maintain the parking lot, landscaping, building, furnish custodial service, etc.

4. **INSPECTION.** Lessees shall permit Lessor and its designees to inspect the building at reasonable times and intervals.

5. **TAXES.** Lessor shall pay all taxes and governmental charges imposed on property.

6. **MAINTENANCE AND REPAIRS.** Lessor shall maintain the building in good condition and shall make all necessary repairs and replacements. Title to all replacements shall vest in Lessor.

   **Payment.** All repairs made necessary by accident shall be paid for by Lessees.

7. **RENOVATIONS AND IMPROVEMENTS.** Lessees may complete construction, renovation, and/or addition projects for this facility to improve this facility and property. Detailed plans, specifications, and as necessary construction drawings shall be approved by the Lessor prior to the Lessee beginning any construction, renovation, or addition/improvement project. All work performed by the Lessees shall fully comply with all applicable building codes, rules, laws, statutes, ordinances, etc. Title to all renovations and improvements/additions made by the Lessees shall vest in Lessor.

8. **RISKS AND INDEMNITY.** Lessees shall indemnify and hold harmless the Lessor and Lessor’s agents and employees from and against any damage, loss, theft, or destruction during the lease term, and any loss, damage, injury, claim, demand, cost and expense (including legal expense) arising out of or connected with the use, operation or condition of the Building during the lease term.

   Each party shall promptly notify the other of any such loss, etc., of which he has knowledge. Lessees shall be entitled to participate in the defense of any such claim or demand.

9. **USAGE.** The Building shall be used and operated only in compliance with all governmental requirements and in support of the Lessees’ mission and the mission of any approved user of the Building as described herein.
10. TERMINATION.

By Lessor. The Lessor may terminate this lease at any time by providing written
notice to the Lessees upon the occurrence of any of the following events of default: failure by
the Lessees to pay Rental fees that are due or other sum then payable to Lessor hereunder
and such failure continues for more than 10 business days thereafter in which the
offices of Lessees are open for business after Lessor has issued a demand
notice for payment thereof; or the failure by the Lessees to perform any other provision of
this lease to be performed by Lessees after 60 days from receipt of written notice of default
from Lessor, provided that in the event the default cannot be cured within such 60 days and
Lessees have commenced good faith efforts to cure such default, until the expiration of such
good faith efforts and the default remains uncured, or Lessees makes or suffers any voluntary
or involuntary assignment of Lessees' interest in the Property other than as allowed
herein, or Lessees suffers any lien attachment or levy to become attached to the Building,
unless such petition, assignment, appointment, lien, attachment or levy be withdrawn or
nullified in 60 days after Lessees' receiving written notice of such matter.

A termination of this Lease as to a particular Lessee shall not affect the rights of any
other Lessee named herein continuing the Lease under the terms and conditions of this Lease
with the Lease remaining in full force and effect as between Lessor and the remaining Lessee.

11. INSURANCE. During the lease term, the Building shall be covered with the following
insurance:

Property Insurance (Fire and extended coverage of state owned contents only) actual
cash value.

Comprehensive General Liability. $1,000,000 total claim, one incident.

a. Procurement and Payment. All such insurance shall be procured and paid for
by Lessees.

b. Other Insurance. Lessees shall provide and pay for any other insurance or bond
that may be required by any governmental authority as a condition to or in
connection with Lessees' use of any Property and in turn to be reimbursed by the
Lessor.

c. Persons Protected, Insurers. All insurance referred to above shall protect, as
their interests may appear, the Lessor, the Lessees, any other person having an
interest in the Building if he/she so desires, and any person responsible for the use
or operation of the Building.

d. Proceeds. Any insurance proceeds received by either party for any loss or
casualty that has been made good by the other shall to that extent be paid to the
other, unless such other is then in default with respect to any of his obligations
hereunder and fails to cure such default.

12. FORCE MAJEURE AND NO CONSEQUENTIAL DAMAGES. Neither party shall be
liable to the other party for any failure in performing any provision hereof, due to fire
or other casualty, labor difficulty, governmental restriction or any cause beyond such
party's control. In no event shall any restriction or any cause beyond a party's control
be deemed a default under this lease. In no event shall either party be liable to the
other party for any loss of profits, other consequential damages or inconvenience
due to any theft, damage, loss, defect or failure of the Building or the time consumed
in recovering, repairing, servicing or replacing the same, and there shall be no
abatement or apportionment of the rental during such time.

ENTIRE AGREEMENT, LAW OF AGREEMENT, ASSIGNMENT AND SUBORDINATION. The lease constitutes the entire agreement between the parties and may not be changed except by an instrument in writing signed by the party to be charged.

This lease may not be assigned or the building subleased by Lessees without Lessor's prior written consent; provided however, that Lessees may enter into a joint use agreement ("Approved Joint Use Agreement") for the Building and Property with any IRS Section 501(c)(3) type of organization organized as a supporting organization for the University of Louisiana Monroe without Lessor's written consent.

The parties intend this agreement to be executed in, and interpreted, construed and enforced in accordance with the laws of the State of Louisiana.

IN WITNESS WHEREOF, the parties have duly executed this lease this ______day of ________________________, 2018.

Item H.4. University of Louisiana at Monroe's request for approval of the Board of Supervisors for the University of Louisiana System for the execution of supplements to the Ground and Buildings Lease Agreement and the Agreement to Lease with Option to Purchase between the Board, on behalf of the University, and the University of Louisiana at Monroe Facilities, Inc., in connection with the Brown Stadium and parking renovation project.

EXECUTIVE SUMMARY

In June of 2017, the University of Louisiana at Monroe, through the University of Louisiana at Monroe Facilities, Inc. (ULMFI), financed the renovation of Brown Stadium, the construction of a new track and soccer field, and the renovation of existing parking on the University’s campus (Project). The Louisiana Community Development Authority (Authority) issued $4,000,000 of its Revenue Bonds to finance the Project (Series 2017 Bonds).

The land and the existing improvements thereon, including the existing Brown Stadium and track, were leased to ULMFI by the Board, acting on behalf of the University, pursuant to the Ground and Buildings Lease Agreement (the “Ground Lease”). ULMFI will complete the Project and has leased the completed Project back to the Board pursuant to an Agreement to Lease with Option to Purchase (the “Facilities Lease”).

The University, through ULMFI, proposes to finance additional parking lot rehabilitation for the Project through the issuance of additional bonds by the Authority in an amount not to exceed $2,000,000. The University and ULMFI desire to expand the property description in the Lease to allow for the additional parking lot rehabilitation. The net interest cost of the transaction is not expected to exceed 5%.

Annual debt service for the Series 2017 Bonds as well as the proposed Bonds (Series 2018 Bonds) and collectively with the Series 2017 Bonds, will be secured and payable from lease payments paid by the Board, on behalf of the University, to ULMFI pursuant to the Facilities Lease, as supplemented. The payments will be derived from the revenues collected by the University from a Student Support Fee self-assessment approved by the students of the University at the April 18 and 19, 2012 election. The Student Support Fee is authorized to be collected in perpetuity in the amount of $95 for Fall and Spring Semesters, assessed to students enrolled in four or more credit hours, and $50 for each Summer semester, assessed to students enrolled in three or more credit hours, that is currently being levied upon students of the University and used
to support and enhance critical student support services, initiatives, programming, personnel, operations, and projects benefitting all students on the University campus.

The Board and University have not and will not pledge its full faith and credit or State appropriated funds to make any debt service payments on the Bonds. The University’s land and property will not be used as security for the Bonds.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves University of Louisiana at Monroe’s request for approval of the Board of Supervisors for the University of Louisiana System for the execution of supplements to the Ground and Buildings Lease Agreement and the Agreement to Lease with Option to Purchase between the Board, on behalf of the University, and the University of Louisiana Monroe Facilities, Inc., in connection with the completion of the Project.

BE IT FURTHER RESOLVED, that the University of Louisiana at Monroe shall obtain final review from University of Louisiana System staff and legal counsel to the Board, and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements prior to execution of documents.

BE IT FURTHER RESOLVED, that the President of the University of Louisiana at Monroe, and his or her designee, are hereby authorized and directed to execute the leases described herein and any and all documents necessary in connection with the issuance of the bonds described herein.

AND FURTHER, that the University of Louisiana at Monroe will provide the University of Louisiana System office with copies of all final executed documents for the Board’s files.

FORM OF MEMORANDUM OF
SUPPLEMENTAL FACILITIES LEASE
Discussion/Action Item
Item H.5. University of Louisiana at Monroe’s request for approval of the Board of Supervisors for the University of Louisiana System for the execution of a Ground Lease Agreement between the Board, acting on behalf of the University, and the Harvey W. Peters Research Foundation, in connection with the construction of a medical school on the University’s campus.

EXECUTIVE SUMMARY

The University of Louisiana at Monroe (University) is requesting the approval of the Board of Supervisors for the University of Louisiana System (Board) for the execution of a Ground Lease Agreement (Ground Lease) between the Board, acting on behalf of the University, and the Harvey W. Peters Research Foundation, a South Dakota nonprofit corporation and a tax-exempt organization as described in Section 501(c)(3) of the Internal Revenue Code (Tenant), in connection with the financing and construction of a medical school on the University’s campus (Project).

Pursuant to its nonprofit purposes, Tenant supports and assists Edward Via Virginia College of Osteopathic Medicine (VCOM), a nonprofit corporation and tax-exempt medical school organized and existing under laws of the Commonwealth of Virginia, whose mission is to educate and train physicians, including patient-centered physicians, through collaboration with universities to alleviate the critical shortage of physicians in rural areas of the Appalachian region and the southeastern United States. Tenant is the sole member of VCOM. The University and its leadership strive to participate in efforts to address the ongoing shortage of Louisiana primary healthcare service providers and desire to expand such efforts through participation and collaboration with an established college of medicine and desire to collaborate with VCOM for this purpose.

The proposed Project will require a lease of land on the University’s campus to the Tenant pursuant to the Ground Lease. The Tenant will pursue the financing and construction of a medical school and related improvements (Facilities), which will be owned by Tenant and subleased to VCOM. Pursuant to a Ground Sublease Agreement between the Tenant and VCOM, the Tenant will sublease the land and lease the completed facilities to VCOM to operate as a branch campus of VCOM’s existing medical school on the University’s campus. VCOM currently operates the medical school and branches thereof in Blacksburg, Virginia; Spartanburg, South Carolina; and Auburn, Alabama.

The costs of the Project are expected to exceed $30,000,000 and are expected to be financed by the Tenant through the issuance of revenue bonds or other financing and the proceeds received from the sale of new markets tax credits expected to be allocated to the Project. In order for the Tenant to recoup the cost of constructing and financing the Project, and in order for the Tenant to
have the opportunity to obtain long-term financing for the Project on a cost-effective basis, the base term of the Ground Lease cannot be less than sixty years. The proposed Ground Lease provides for a primary term extending through June 30, 2078 and for a potential extension of the term until June 30, 2117. In the event of an extension of the term beyond June 30, 2078, the Ground Lease will require an appraisal process subject to the input of the Board and the Tenant in order to recalculate rent for the extended term.

The annual rent will increase through July 1, 2023, when it becomes $123,146 per year; thereafter, the rent will continue for the term of the Ground Lease subject to adjustments and increases as set forth in the Ground Lease. Additionally, supplemental to the Ground Lease, the University and VCOM will enter into a Student and Support Services Agreement which is estimated to generate in excess of $680,000 per year for the University upon full enrollment of the first three VCOM classes.

Tenant as owner of the Facilities will be solely responsible for maintenance, repair and replacement of the Facilities during the term of the Ground Lease and, therefore, will not be obligated to create a maintenance reserve account.

The Project will be financed entirely by the Tenant and VCOM and no University funds are being committed to be used to finance the Project or to maintain the facilities.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves the University of Louisiana at Monroe’s request for the execution of a Ground Lease Agreement between the Board, acting on behalf of the University, and the Harvey W. Peters Research Foundation in connection with the lease of land on the University’s campus, which land is more particularly described in the Ground Lease, on Exhibit A to complete the Project described herein, and such Ground Lease Agreement is hereby expressly approved.

BE IT FURTHER RESOLVED, that the Board also hereby authorizes, approves, and consents to the execution of a Ground Sublease Agreement between the Harvey W. Peters Research Foundation and Edward Via Virginia College of Osteopathic Medicine, subleasing the land and leasing the Project to VCOM in connection with the operation of the Project by VCOM, and the Board also authorizes, approves, and consents to each and every sublease and assignment of the Ground Lease as permitted by, and in accordance with, the requirements and other provisions of, the Ground Lease.

BE IT FURTHER RESOLVED, that the University of Louisiana at Monroe shall obtain final review from University of Louisiana System staff and legal counsel to the Board, and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements prior to execution of documents.
BE IT FURTHER RESOLVED, that the President of the University of Louisiana at Monroe, and his or her designee, are hereby authorized and directed to execute the Ground Lease as described herein and any and all documents necessary in connection with the Project described herein.

AND FURTHER, that the University of Louisiana at Monroe will provide the University of Louisiana System office with copies of all final executed documents for the Board's files.
May 30, 2018

Dr. James B. Henderson, President
University of Louisiana System
1201 North Third Street, Suite 7-300
Baton Rouge, LA 70802

Dear Dr. Henderson:

As ULM continues in its journey to serve as a site for a branch campus of an osteopathic medical school, University of La. System Board approval of key documents is herein requested. Specifically, the Board of Regents recently granted conditional Louisiana licensure to the Edward Via College of Osteopathic Medicine (VCOM), with an anticipated initial class enrollment of Fall 2021, if not earlier.

In addition to licensure, another key milestone for VCOM and ULM is the negotiation and approval of a ground lease and associated sublease of the ULM site, including a specific site for VCOM new construction and an associated parking. As such, please see the enclosed draft ground lease between ULM and the Harvey W. Peters Research Foundation (the Peters Foundation), parent company of VCOM, and the enclosed ground sublease between the Peters Foundation and Bon Aire Properties, LLC, a separate wholly-owned subsidiary of the Peters Foundation.

Of interest, please note that Mr. Matthew Kern was engaged by IberiaBank to assist them in preparation of these lease documents, and Ms. Linda Clark has reviewed these documents as ULS and ULM counsel in this regard.

I ask that the June 2018 meeting of the Board of Supervisors include an agenda item for the review and approval of these documents. If questions arise, I remain available to field such questions prior to the meeting or during the meeting.

Sincerely,

[Signature]

Nick J. Bruno, Ph.D.

WHEREAS, University of Louisiana at Monroe (the "University") is under the management of the Board of Supervisors for the University of Louisiana System (the "Board") pursuant to La. R.S. 17:3217 and is requesting the approval of the Board for the execution of a Ground Lease Agreement between the Board, acting on behalf of the University, and the Harvey W. Peters Research Foundation (the "Tenant") in connection with the lease of land on the University's campus to complete the Project described herein;

WHEREAS, the Tenant is a private nonprofit corporation organized and existing under the South Dakota Nonprofit Corporation Act and is a tax-exempt organization as described in Section 501(c)(3) of the Internal Revenue Code;

WHEREAS, pursuant to its nonprofit purposes, Tenant supports and assists Edward Via Virginia College of Osteopathic Medicine ("VCOM"), a nonprofit corporation and tax-exempt medical school organized and existing under the Virginia Nonstock Corporation Act, whose mission is to educate and train physicians, including patient-centered physicians, through collaboration with universities to alleviate the critical shortage of physicians in rural areas of the Appalachian region and the southeastern United States;

WHEREAS, pursuant to La. R.S. 17:3361 through 17:3366, the Board is authorized to lease to a private nonprofit corporation, such as Tenant or VCOM, any portion of the campus of the University (the "Campus");

WHEREAS, the University and its leadership strive to participate in efforts to address the ongoing shortage of Louisiana primary healthcare service providers and desire to expand such efforts through participation and collaboration with an established college of medicine;

WHEREAS, in order to further these public purposes of the University and the functions of the Board, the Board deems it advisable that a portion of the Campus (along with ingress and egress and servitudes for utilities) be leased to Tenant for the purpose of constructing medical school facilities thereon to be owned by Tenant and subleased by Tenant to VCOM and to constitute a branch campus of VCOM's existing medical school on the Campus;

WHEREAS, the Board and Tenant have agreed that Tenant shall construct a medical school and related improvements (the "Facilities") on the Land leased hereunder, and that Tenant shall further sublease such Land and Facilities to VCOM to operate the medical school thereon (the "Permitted Use"), as more particularly, provided in the Ground Lease), at a total project cost expected to be in excess of $30,000,000.00;

WHEREAS, Tenant (or VCOM) will fund all costs of the project incurred by Tenant (or VCOM),

including all costs of construction of the Facilities, and all future costs of maintenance, repairs, and replacements, at no capital outlay or other costs to the University throughout the term of the Ground Lease;

WHEREAS, the parties acknowledge that the Ground Lease shall provide no rights or obligations as to the Board or the University with respect to the management, academic curriculum, policies and procedures, student services, shared services and other matters related to the operation of the medical school by VCOM in accordance with the Permitted Use, it being acknowledged that all such matters shall be governed by separate written agreement(s), if any, between the University and VCOM; and

WHEREAS, Tenant shall contract directly with Louisiana licensed architects, engineers and contractors for all the work necessary to complete the project, and Tenant will also be responsible for facilitating and overseeing the entire construction project:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System does hereby approve the University of Louisiana at Monroe’s request for the execution of a Ground Lease Agreement between the Board, acting on behalf of the University, and the Harvey W. Peters Research Foundation in connection with the lease of land on the University’s campus, which land is more particularly described on Exhibit A attached hereto and made a part hereof, to complete the Project described herein, and such Ground Lease Agreement is hereby expressly approved.

BE IT FURTHER RESOLVED, that the Board also hereby authorizes, approves, and consents to the execution of a Ground Sublease Agreement between the Harvey W. Peters Research Foundation and Edward Via Virginia College of Osteopathic Medicine, subleasing the land and leasing the Project to VCOM in connection with the operation of the Project by VCOM, and the Board also authorizes, approves, and consents to each and every sublease and assignment of the Ground Lease as permitted by, and in accordance with the requirements and other provisions of, the Ground Lease.

BE IT FURTHER RESOLVED, that the University of Louisiana at Monroe shall obtain final review from University of Louisiana System staff and legal counsel to the Board, and shall secure all other appropriate approvals from agencies/parties of processes, documents, and administrative requirements prior to execution of documents.

BE IT FURTHER RESOLVED, that the President of the University of Louisiana at Monroe, and his or her designee, are hereby authorized and directed to execute the Ground Lease as described herein and any and all documents necessary in connection with the Project described herein.

AND FURTHER, that the University of Louisiana at Monroe will provide the University of Louisiana System office with copies of all final executed documents for the Board’s files.
