Title: HAZING
Effective Date: August 27, 2019
Cancellation: August 23, 2018
Chapter: Students

I. University of Louisiana System Statement on Hazing

The University of Louisiana System (“the System”) is committed to maintaining a supportive, educational environment that fosters respect for the dignity and rights of all its community members. This commitment reflects the System’s adherence to its mission, to its various policies supporting its mission, and to relevant state and federal laws. As such, acts of hazing are considered irresponsible, intolerable and inconsistent with the System’s mission. Student organizations and/or individual members found to have engaged in hazing shall be in violation of the System’s Policy (“Policy”) and may be in violation of state law (R.S. 14:40.8).

The System’s member institutions shall adopt an institutional policy in accordance with all applicable laws and this Policy. All institutional policies must be amended to reflect any subsequent changes to laws and regulations. Additionally, each institution is encouraged to develop supplementary procedures to further support the implementation of this Policy. It is important to note that, while all institutions may develop individualized policies on hazing prevention, the mandatory provisions of this Policy establish the minimum requirements with which all institutional policies must comply.

II. Policy and Procedures Memorandum

In compliance with Acts 635, 637, and 640 of the 2018 Regular Session and Act 382 of the 2019 Regular Session of the Louisiana Legislature and the 2019 Board of Regents Uniform Policy on Hazing, the System reaffirms its policy that any form of hazing of any student enrolled at any institution of the System is prohibited. Violation of this Policy can result in both disciplinary action imposed by the organization and/or institution as well as criminal charges.

Each organization, as a condition of operating at an institution, shall adopt the Hazing Prevention Policy that the institution has adopted, which shall include possible institutional sanctions against the organization in the event of a reported or confirmed hazing incident, and a policy that prohibits hazing.

Furthermore, the definitions of key terms and other mandatory provisions shall remain consistent with those in Acts 635, 637, and 640 of the 2018 Regular Session of the Louisiana Legislature.
III. Definitions

a. **Hazing** is defined as any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against an individual that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include students at an educational institution, including but is not limited to:
