REQUEST FOR PROPOSAL
FOR
CONSULTING SERVICES TO CONDUCT BACKGROUND CHECKS ON POTENTIAL EMPLOYEES

PART 1: ADMINISTRATIVE AND GENERAL INFORMATION

1.1 Purpose

The purpose of this Request for Proposal (RFP) is to obtain competitive proposals from qualified Proposers who are interested in providing consulting services to conduct background checks on potential employees at the University of Louisiana System Universities, Louisiana Community and Technical College System Institutions, Southern University System Institutions and Board office. This is a non-exclusive contract that will give the Institutions the right to use the services of the contractor selected through this RFP process or to seek other means (including other vendors) of securing background information on potential employees.

1.2 Background

Conducting pre-employment background checks have become increasingly important for institutions within the Louisiana Higher Education System. We have learned that most costly hiring mistakes could have been avoided if pre-employment background checks had been conducted. It is estimated that resume fraud occurs in 30% of all applications. Furthermore, an academic institution employs many of its own students to work in safety or security-sensitive positions: graduate assistants, resident assistants and managers, student workers in Information Technology or Human Resources, etc. The Institution must at least attempt to obtain and verify employment information to protect itself from lawsuits alleging negligent hiring.

In addition, the State Office of Risk Management (ORM) has taken a stand on this issue due to increased acts of fraud committed by state employees on the job. State agencies will bear any loss if it is known that the responsible employee was dishonest in the past regardless of whether it was in prior employment. Conducting pre-employment background checks, even if fraud later occurs, demonstrates that the Institution took reasonable care when hiring new staff members.

The UL System is comprised of the following: the Board Office (staff of the Board of Supervisors), Grambling State University, Louisiana Tech University, McNeese State University, Nicholls State University, Northwestern State University, Southeastern Louisiana University, University of Louisiana at Lafayette, and University of Louisiana at Monroe. Additionally, The Louisiana Community and Technical College System consisting of Baton Rouge Community College, Bossier Parish Community College, Delgado Community College, Louisiana Delta Community College, Fletcher Technical Community College, Nunez Community College, River Parishes Community College, South Louisiana Community College, Sowela
Technical Community College, Central Louisiana Technical Community College, Northshore Technical Community College, Northwest Louisiana Technical College, and South Central Louisiana Technical Community College and the Southern University System consist of Southern University and A&M College, Southern University at New Orleans, Southern University at Shreveport, Southern University Law Center and Southern University Agricultural Center will participate in the RFP and Contract.

At April 2017, the UL System had approximately 9,100 employees, LCTC System had approximately 3,400 employees and the SU System had approximately 2,000 employees.

1.3 Goals and Objectives

University of Louisiana System is seeking a contractor to conduct employment screening to assist the institutions in conducting pre-employment background checks on potential employees. See Attachment I for entire scope of services.

1.9.7 Veteran and Hudson Initiative Programs Participation

Participation of Veteran Initiative and Hudson Initiative small entrepreneurships will be scored as part of the technical evaluation.

The State of Louisiana Veteran and Hudson Initiatives are designed to provide additional opportunities for Louisiana-based small entrepreneurships (sometimes referred to as LaVet’s and SE’s respectively) to participate in contracting and procurement with the State. A certified Veteran-Owned and Service-Connected Disabled Veteran-Owned small entrepreneurship (LaVet) and a Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) small entrepreneurship are businesses that have been certified by the Louisiana Department of Economic Development. All eligible vendors are encouraged to become certified. Qualification requirements and online certification are available at: https://smallbiz.louisianaeconomicdevelopment.com.

Ten percent (10%) of the total evaluation points on this RFP shall be reserved for proposers who are themselves a certified Veteran (LaVet) and/or Hudson Initiative small entrepreneurship or who will engage the participation of one or more certified Veteran or Hudson Initiatives small entrepreneurships as subcontractors.

If a proposer is certified as a Hudson and a Veteran small entrepreneurship, the maximum points to be reserved is ten percent (10%) of the total evaluation points.

If a Proposer is not a certified small entrepreneurship as described herein, but plans to use certified small entrepreneurship(s), Proposer shall include in their proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the dollar value of each subcontract.

Reserved points shall be added to the applicable proposer’s evaluation score as follows:

**Proposer Status and Reserved Points**

- Proposer is a certified La Vet or Hudson small entrepreneurship: Full amount of the reserved points.

- Proposer is not a certified LaVet or Hudson small entrepreneurship but has engaged one or more LaVet or Hudson certified small entrepreneurships to participate as subcontractors.

Points will be allocated based on the following criteria:

- the number of LaVet and Hudson certified small entrepreneurships to be utilized
- the experience and qualifications of the certified LaVet and small entrepreneurship(s)
- the anticipated earnings to accrue or the percentage of work subcontracted to the certified LaVet and Hudson small entrepreneurships
During the term of the contract and at expiration, the Contractor will also be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor or distributor participation and the dollar amount of each.

In RFP’s requiring the compliance of a good faith subcontracting plan, the State may require Proposers to submit information on their business relationships and arrangements with certified LaVet or Hudson Initiative subcontractors at the time of proposal review. Agreements between a Proposer and a certified LaVet or Hudson Initiative subcontractor in which the certified LaVet or Hudson Initiative subcontractor promises not to provide subcontracting quotations to other Proposers shall be prohibited.

In performing its evaluation of proposals, the State reserves the right to require a non-certified Proposer to provide documentation and information supporting a good faith subcontracting plan. Such proof may include contracts between Proposer and certified Veteran Initiative and/or Hudson Initiative subcontractor(s).

If a contract is awarded to a Proposer who proposed a good faith subcontracting plan, the using agency, the Louisiana Department of Economic Development (LED), or the Office of State Procurement (OSP) may audit Contractor to determine whether Contractor has complied in good faith with its subcontracting plan. The Contractor must be able to provide supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the using agency, LED, or the OSP Director that the Contractor did not in fact perform in good faith its subcontracting plan, the contract award or the existing contract may be terminated.

A current list of certified Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship may be obtained from the Louisiana Economic Development Certification System at: https://smallbiz.louisianaeconomicdevelopment.com

For informational purposes, proposers shall also provide prices and turnaround time in calendar days for each of the Additional Types of Background Checks. Prices shall be inclusive of travel and expenses. Failure to provide a price for each item listed shall cause proposal to be rejected. **Note:** Proposers shall provide one (1) price for any county/parish criminal history search in the United States. 1.22 Taxes

Contractor shall be responsible for payment of all applicable taxes from the funds to be received under contract awarded from this RFP.

In accordance with R.S. 39:1624(A)(10), the Louisiana Department of Revenue must determine that the prospective contractor is current in the filing of all applicable tax returns and reports and in payment of all taxes, interest, penalties, and fees owed to the state and collected by the Department of Revenue prior to the approval of the contract by the Office of State Procurement. The prospective contractor shall attest to its current and/or prospective compliance by signing the Certification Statement, Attachment III, submitted with its proposal, and also agrees to provide its seven-digit LDR Account Number to the contracting agency so that the prospective contractor’s tax payment compliance status may be verified. The prospective contractor further acknowledges understanding that issuance of a tax clearance certificate by the Louisiana Department of Revenue is a necessary precondition to the approval and effectiveness of the contract by the Office of State Procurement. The contracting agency reserves the right to withdraw its consent to the contract without penalty and proceed with alternate arrangements should the vendor fail to resolve any identified apparent outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) days of such notification.
1.23 Determination of Responsibility

Determination of the Proposer’s responsibility relating to this RFP shall be made according to the standards set forth in LAC 34:2536. The State must find that the selected Proposer:

- Has adequate financial resources for performance, or has the ability to obtain such resources as required during performance;
- Has the necessary experience, organization, technical qualifications, skills, and facilities, or has the ability to obtain them;
- Is able to comply with the proposed or required time of delivery or performance schedule;
- Has a satisfactory record of integrity, judgment, and performance; and
- Is otherwise qualified and eligible to receive an award under applicable laws and regulations.

Proposers should ensure that their proposals contain sufficient information for the State to make its determination by presenting acceptable evidence of the above to perform the contracted services.

1.24 Use of Subcontractors

The State shall have a single prime Contractor as the result of any contract negotiation, and that prime Contractor shall be responsible for all deliverables specified in the RFP and proposal. This general requirement notwithstanding, Proposers may enter into subcontractor arrangements, however, shall acknowledge in their proposals total responsibility for the entire contract.

If the Proposer intends to subcontract for portions of the work, the Proposer shall identify any subcontractor relationships and include specific designations of the tasks to be performed by the subcontractor. Information required of the Proposer under the terms of this RFP shall also be required for each subcontractor. The prime Contractor shall be the single point of contact for all subcontract work.

Unless provided for in the contract with the State, the prime Contractor shall not contract with any other party for any of the services herein contracted without the express prior written approval of the State.

1.25 Written or Oral Discussions/Presentations

The State, at its sole discretion, may require all Proposers reasonably susceptible of being selected for the award to provide an oral presentation of how they propose to meet the agency’s program objectives. Commitments made by the Proposer at the oral presentation, if any, will be considered binding. A maximum of 20 points may be added to the original score.

1.26 Acceptance of Proposal Content

All proposals will be reviewed to determine compliance with administrative and mandatory requirements as specified in the RFP. Proposals that are not in compliance will be rejected from further consideration.
1.27 Evaluation and Selection

The evaluation of proposals will be accomplished by an evaluation team, to be designated by the state, which will determine the proposal most advantageous to the state, taking into consideration price and the other evaluation factors set forth in the RFP.

The evaluation team may consult subject matter expert(s) to serve in an advisory capacity regarding any Proposer or proposal. Such input may include, but not be limited to, analysis of Proposer financial statements, review of technical requirements, or preparation of cost score data.

1.28 Best and Final Offers (BAFO)

The State reserves the right to conduct a BAFO with one or more Proposers identified by the evaluation committee to be reasonably susceptible of being selected for an award. If conducted, the Proposers selected will receive written notification of their selection, a list of specific items to address in the BAFO, and instructions for submittal. The BAFO negotiation may be used to assist the State in clarifying the scope of work or to obtain the most cost-effective pricing available.

The written invitation to participate in BAFO will not obligate the State to a commitment to enter into a contract.

1.29 Contract Award and Execution

The State reserves the right to enter into a contract based on the initial offers received without further discussion of the proposals submitted. The State reserves the right to contract for all or a partial list of services offered in the proposals.

The RFP, including any addenda added, and the selected proposal shall become part of the contract initiated by the State.

The selected Proposer shall be expected to enter into a contract that is substantially the same as the Sample Contract, Attachment IV. A Proposer shall not submit its own standard contract terms and conditions as a response to this RFP. The Proposer should submit in its proposal any exceptions or contract deviations that its firm wishes to negotiate. Negotiations may coincide with the announcement of the selected Proposer.

If the contract negotiation period exceeds [14] business days, or if the selected Proposer fails to sign the final contract within [10] business days of delivery, the State may elect to cancel the award and award the contract to the next-highest-ranked Proposer.

1.30 Notice of Intent to Award

The Evaluation Team shall compile the scores and make a recommendation to the head of the agency on the basis of the responsive and responsible Proposer(s) with the highest score(s).
The State will notify the successful Proposer(s) and proceed to negotiate terms for final contract(s). Unsuccessful Proposers will be notified in writing accordingly.

The proposals received (except for that information appropriately designated as confidential in accordance with R.S. 44.1 et seq), scores of each proposal considered along with a summary of scores, and a narrative justifying selection shall be made available, upon request, to all interested parties after the “Notice of Intent to Award” letter has been issued.

Any person aggrieved by the proposed award has the right to submit a protest in writing to the Chief Procurement Officer within fourteen (14) calendar days after the agency issues a Notice of Intent to award a contract.

The award of a contract shall be subject to the approval of the Division of Administration, Office of State Procurement.

1.31 Right to Prohibit Award

In accordance with the provisions of R.S. 39:2192, any public entity shall be authorized to reject a proposal from, or not award a contract to, a business in which any individual with an ownership interest of five percent or more, has been convicted of, or has entered a plea of guilty or nolo contendere to any state felony or equivalent federal felony crime committed in the solicitation or execution of a contract or RFP awarded under the laws governing public contracts under the provisions of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, and all contracts under Title 39, Chapter 17 of the Louisiana Procurement Code, including contracts for professional, personal, consulting, and social services.

The parties also hereby agree that the State of Louisiana, its departments, agencies, agents and employees shall in no circumstance be, or considered as, the employer or statutory employer of Contractor, its owners, agents and employees. The parties further agree that Contractor is a wholly independent contractor and is exclusively responsible for its employees, owners, and agents. Contractor hereby agrees to protect, defend, indemnify and hold the State of Louisiana, its departments, agencies, agents and employees harmless from any such assertion or claim that may arise from the performance of the contract.

1.33 Indemnification and Limitation of Liability

If applicable, Contractor will indemnify, defend and hold the State and its Authorized Users harmless, without limitation, from and against any and all damages, expenses (including reasonable attorneys’ fees), claims, judgments, liabilities and costs which may be finally assessed against the State in any action for infringement of a United States Letter Patent with respect to the Products furnished, or of any copyright, trademark, trade secret or intellectual property right, provided that the State shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor’s sole expense, and (iii) assistance in the defense of any such action at the expense of Contractor. Where a dispute or claim arises relative to a real or anticipated infringement, the State or its Authorized Users may require Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as the Commissioner of Administration shall require.

The Contractor shall not be obligated to indemnify that portion of a claim or dispute based upon: i) Authorized User’s unauthorized modification or alteration of a Product, Material or Service; ii) Authorized User’s use of the Product in combination with other products not furnished by Contractor; iii) Authorized User’s use in other than the specified operating conditions and environment.
In addition to the foregoing, if the use of any item(s) or part(s) thereof shall be enjoined for any reason or if Contractor believes that it may be enjoined, Contractor shall have the right, at its own expense and sole discretion as the Authorized User's exclusive remedy to take action in the following order of precedence: (i) to procure for the State the right to continue using such item(s) or part(s) thereof, as applicable; (ii) to modify the component so that it becomes non-infringing equipment of at least equal quality and performance; or (iii) to replace said item(s) or part(s) thereof, as applicable, with non-infringing components of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable, then provide monetary compensation to the State up to the dollar amount of the Contract.

For all other claims against the Contractor where liability is not otherwise set forth in the Contract as being "without limitation", and regardless of the basis on which the claim is made, Contractor's liability for direct damages, shall be the greater of $100,000, the dollar amount of the Contract, or two (2) times the charges rendered by the Contractor under the Contract. Unless otherwise specifically enumerated herein or in the work order mutually agreed between the parties, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings.

The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

If within thirty (30) calendar days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) calendar days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time agreed upon in the contract may constitute default and may cause cancellation of the contract.

Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of the contract provided that the Contractor shall give the State written notice specifying the State agency’s failure and a reasonable opportunity for the State to cure the defect.

1.35.2 Termination of the Contract for Convenience

The State may terminate the Contract at any time without penalty by giving thirty (30) calendar days’ written notice to the Contractor of such termination or negotiating with the Contractor an effective date. Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

1.35.3 Termination for Non-Appropriation of Funds

The continuation of the contract shall be contingent upon the appropriation of funds by the legislature to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act of Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds have not been appropriated.

1.36 Assignment

No Contractor shall assign any interest in the contract by assignment, transfer, or novation, without prior written consent of the State. This provision shall not be construed to prohibit the Contractor from assigning to a bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the State.
1.37 Right to Audit

The State legislative auditor, federal auditors and internal auditors of the University of Louisiana System, Louisiana Community and Technical College System, Southern University System, Division of Administration, or others so designated by the DOA, shall have the option to audit all accounts directly pertaining to the resulting contract for a period of five (5) years from the date of final payment or as required by applicable State and Federal law. Records shall be made available during normal working hours for this purpose.

Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of the contract.

1.39 Record Ownership

All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by the Contractor in connection with the performance of the services contracted for herein shall become the property of the State and shall, upon request, be returned by the Contractor to the State, at the Contractor’s expense, at termination or expiration of the contract.

1.40 Entire Agreement/ Order of Precedence

The contract, together with the RFP and addenda issued thereto by the State, the proposal submitted by the Contractor in response to the State’s RFP, and any exhibits specifically incorporated herein by reference, shall constitute the entire agreement between the parties with respect to the subject matter.

In the event of any inconsistent or incompatible provisions, this signed agreement (excluding the RFP and the Contractor’s proposal) shall take precedence, followed by the provisions of the RFP, and then by the terms of the Contractor’s proposal.
1.41 Contract Modifications

No amendment or variation of the terms of the contract shall be valid unless made in writing, signed by the parties and approved as required by law. No oral understanding or agreement not incorporated in the contract shall be binding on any of the parties.

1.42 Substitution of Personnel

The Contractor’s personnel assigned to the Contract shall not be replaced without the prior written consent of the State. Such consent shall not be unreasonably withheld or delayed provided an equally qualified replacement is offered. In the event that any State or Contractor personnel become unavailable due to resignation, illness, or other factors, excluding assignment to a project outside the contract, outside of the State’s or Contractor’s reasonable control, as the case may be, the State or the Contractor shall be responsible for providing an equally qualified replacement in time to avoid delays in completing tasks. The Contractor will make every reasonable attempt to assign the personnel listed in his proposal.

In preparing its response, the Proposer has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not, in the solicitation, selection, or commercial treatment of any subcontractor or supplier, refused to transact or terminated business activities, or taken other actions intended to limit commercial relations, with a person or entity that is engaging in commercial transactions in Israel or Israeli-controlled territories, with the specific intent to accomplish a boycott or divestment of Israel. Proposer also has not retaliated against any person or other entity for reporting such refusal, termination, or commercially limiting actions. \[ CCS = \left( \frac{LPC}{TCP} \right) \times 25 \]

Where:

- \( LPC \) = Lowest Proposed Cost of all Proposers
- \( TCP \) = Total Cost of Proposer being evaluated

   iv. The total number of points awarded pursuant to this Section shall not exceed twelve percent (12%) of the total number of evaluation points in this RFP.

If the Proposer is a certified Veterans Initiative or Hudson Initiative small entrepreneurship, the Proposer must note this in its proposal in order to receive the full amount of applicable reserved points.

If the Proposer is not a certified small entrepreneurship, but has engaged one (1) or more Veterans Initiative or Hudson Initiative certified small entrepreneurship(s) to participate as subcontractors, the Proposer shall provide the following information for each certified small entrepreneurship subcontractor in order to obtain any applicable Veterans Initiative or Hudson Initiative points:

These reports may include one or more of the following: employment verifications, education and academic verification, civil record search, social security number verification, Motor Vehicle search, criminal history search, sex offender register, and international criminal history search.

The State Project Director shall review the resubmitted Deliverable within five (5) business days. A resubmitted Deliverable shall be considered accepted unless, within this period, the State Project Director notifies the Contractor in writing that the resubmitted Deliverable is rejected and specifies the items that, if modified or added, will cause the resubmitted Deliverable to be accepted. The parties shall repeat this process until the resubmitted Deliverable is accepted, or the State determines that the Contractor has breached the Contract and places the Contractor in default.

If the State determines that the failure is not correctable, then the Contract shall terminate on the date specified in such notice. Unless otherwise specifically enumerated herein or in the work order mutually agreed between the parties, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings.

The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.
